

CORPORATE Identity Combo

A Professional Start to LAUNCH YOUR BRAND!

The CORPORATE Identity Combo Starter Package contains the pieces, creative ideas and marketing methods that your company needs for that impressive professional start. Every piece is strategically designed to reinforce brand recognition among your target audience, differentiating you from the rest.

At an affordable cost, this package promises a mind-captivating corporate identity of your brand, guaranteeing success in subsequent integral marketing and promotional pieces. Your business is serious business, and we can help you look that way.

The CORPORATE Identity Combo Starter Package includes the design of the following:

- ✓ Logo
- ✓ Slogan
- ✓ Double-sided Business Card
- ✓ Envelope
- ✓ Letterhead
- ✓ Power Point Presentation Background

Features

- 2 initial concepts of each piece
- 2 slogans to choose from
- Up to 4 names with corresponding contact info may be setup for Double-sided Business Card design
- Up to 4 revision rounds
- Files prepared at 300dpi resolution for commercial printing
- All files given in these formats: JPEG, PSD (Photoshop), PDF (Acrobat Reader), and TIFF
- If your Logo has an Icon, extra files of your Logo Icon by itself will be included
- Low resolution of your Logo files in JPEG and white background, for e-mails and other personal uses
- 1 CD containing copies of all files prepared – extra CDs are \$25.00
- Up to 10MB of storage available in our server to get your e-files immediately via our website. Additional MB of storage can be added to this package at \$10.00 per 10MB of storage if needed.
- Corporate Identity Manual – We deliver our exclusive corporate identity manual, with the design specifications of your logo and suggestions for reinforcing your brand.
