

LOGO Image Design

A Smart Start to YOUR IDENTITY!

The LOGO Image Design Package is more than a logo. It is the design process that will have the most influence in the entire identity of your brand. The well development of your Logo by our marketing and creative specialists will play an important role in the success of the production of subsequent corporate identity pieces and media development work.

At an affordable cost, this package promises to give you a successful and professional start, guaranteeing a mind-captivating corporate identity of your brand. Your business is serious business, and we can help you look that way.

The LOGO Image Design Package includes the design of the following:

- ✓ Logo
- ✓ Slogan

Features

- 2 initial concepts of Logo
- 2 slogans to chose from
- Up to 4 revision rounds
- Files prepared at 300dpi resolution for commercial printing
- All files given in these formats: JPEG, PSD (Photoshop), PDF (Acrobat Reader), and TIFF
- If your Logo has an Icon, extra files of your Logo Icon by itself will be included
- Low resolution of your Logo files in JPEG and white background, for e-mails and other personal uses
- 1 CD containing copies of all files prepared – extra CDs are \$25.00
- Up to 10MB of storage available in our server to get your e-files immediately via our website. Additional MB of storage can be added to this package at \$10.00 per 10MB of storage if needed.
- Corporate Identity Manual – We deliver our exclusive corporate identity manual, with the design specifications of your logo and suggestions for reinforcing your brand.
